Made in USA

Our Commitment

Superior Product: Many of our parts exceed industry standards. For example, our drawer box is a completed, assembled, four-sided structure before the drawer front is installed.

On -Time Delivery: We strive to deliver orders to our clients on the very day they request. We do our best to be on time, every time.

Parts Replacement: Most of our collections are assembled so that damaged parts may be easily replaced rather than having to replace the complete piece of furniture.

Attention to Details: Although we have grown significantly over the years, we still pay close attention to the details. It's what's kept our clients coming back for years.

Blanket Wrapped Shipment: Our products are blanket wrapped prior to loading. We don't use cartons. Blanket wrapping allows us to pack shipments tightly, minimizing shipping damage.

Delivered Fully Assembled: Nearly all of our furniture is shipped completely assembled, saving you time and money.

Five - Year Warranty: Our warranty exceeds industry standards.

Order Accuracy: Assuring customer expectations are met, our quality control staff monitors every project with precision.

No Carton Disposal: Blanket wrapping eliminates the extra work and cost of carton handling and disposal.

Zero Freight Damage: The ultimate benefit of blanket wrapping.
